More immediately, as I wrote in *The Diplomat*, the atmosphere of veneration in which Obama strategic primacy in Asia.

if not strengthened it.

So, while it s very important, I m not holding my breath.

Finally, and perhaps most importantly, the fundamental rationale for a powerful submarine fleet is to augment Australia s independent strategic weight that is, to fulfil Canberra s longstanding requirement of being able to defend the Australian continent without relying on the combat forces of another country.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia s north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

and, in my view, unfortunate organizational preference.
