Indeed, Australia s defense minister Stephen Smith has already categorically ruled out nuclear propulsion. Of course, a coherent force structure such as this would require a considerable increase in Australian defence expenditure.

As a relatively small power, Australia may one day be forced to choose between the United States and China. A small detachment of U.S.

I m considerably more guarded in my enthusiasm.

What sets Australia apart is its geographic dislocation from Northeast Asia, the main area of competition, from which it is separated by long distances, an archipelagic screen and, beyond that, continental Southeast Asia.
