Yet I must admit to growing doubt regarding the viability of achieving strategic stability.

China is Australia s largest trading partner, but just recently reaffirmed its strategic alliance with the U.S.

The visit included stopovers in Canberra and Darwin, the two places most pertinent to a new bilateral defense arrangement, and a speech in which Obama reasserted U.S.

In peace-time, they serve as a powerful deterrent.

the Anglo-American tradition of sea-power: sea-control dependent on ever larger surface combatants remains the dominant

require the Navy to concentrate its relatively small number of personnel rather than improving redundancy

In this regard, large, nuclear powered attack submarines the Virginia or Astute class, for example, which are fast, quiet, comprised of mature technology and limited only by the endurance of their crews would be ideal.
