A small detachment of U.S.

As a relatively small power, Australia may one day be forced to choose between the United States and China.

feel it should base its strategic thinking on China's growing capabilities? What type of vessels

Babbage is right about the centrality of submarines to Australian defense policy.

Indeed, Australia s defense minister Stephen Smith has already categorically ruled out nuclear propulsion.

Of course, a coherent force structure such as this would require a considerable increase in Australian defence expenditure.

to the region, not as a hegemon, but as a regional power with vested interests in offsetting the excesses of China s legitimate influence in East Asia.
