based on an evolutionary design upgrade to the Collins.

facing America s Asia-Pacific allies in an age of shifting strategic balances.

In its most controversial form, this argument contends that the enlightened self-interest of Asia s major states should be harnessed towards forming a concert of powers , an institutionalised strategic order echoing that of Europe in the nineteenth century.

Jennifer Rutledge:Australia seems to be in a rather strange and unique position.

Marines doesn't mean much in operational terms, but it s symbolic of Australia s early enlistment in a much more adversarial U.S.

Marines into Darwin? President Obama s visit to Australia was, I think, very significant.

In the meantime, the chief purpose of Australian grand strategy should be to defer that decision for as long as possible.
