Of course, a coherent force structure such as this would require a considerable increase in Australian defence expenditure.

Indeed, Australia s defense minister Stephen Smith has already categorically ruled out nuclear propulsion.

I m considerably more guarded in my enthusiasm.

What sets Australia apart is its geographic dislocation from Northeast Asia, the main area of competition, from which it is separated by long distances, an archipelagic screen and, beyond that, continental Southeast Asia.

As a relatively small power, Australia may one day be forced to choose between the United States and China.

A small detachment of U.S.

An indigenous design, on the other hand, risks testing the limits of Australia s technical and managerial wherewithal, with attendant risks of cost overruns, delays, underperformance and onerous service requirements all of which has afflicted the development and upkeep of Australia s Collins Class submarines.
