Babbage is right about the centrality of submarines to Australian defense policy. feel it should base its strategic thinking on China's growing capabilities? What type of vessels to the region, not as a hegemon, but as a regional power with vested interests in offsetting the excesses of China's legitimate influence in East Asia.

In this regard, Air Independent Propulsion systems will be a salient consideration.

President Barack Obama to Australia? Do you feel it was a success from an Australian viewpoint? Should Australia be allowing U.S.
