if not strengthened it.

strategic primacy in Asia.

and survivability by dispersing them on a greater number of smaller, more stealthy platforms.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia s north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

There are three problems, however.

and, in my view, unfortunate organizational preference.

and Defense Studies Centre, ANU, an editor at the Lowy Institute for International Policy, and

Geography dictates that the U.S.

Of course, it would still be an onerous undertaking.

More immediately, as I wrote in *The Diplomat*, the atmosphere of veneration in which Obama
