Using a development model similar to that which Japan has used to produce the Soryu Class from the Oyashio boats, this would rely on building new boats from technology that had been demonstrated and matured in successuve upgrades to the existing Collins fleet.

In peace-time, they serve as a powerful deterrent.

Distinguishing between alliance perceptions wedded to assumptions of static U.S.

Yet I must admit to growing doubt regarding the viability of achieving strategic stability.

strategy which is not, frankly, a self-evidently prudent course for Australia to take.

China is Australia s largest trading partner, but just recently reaffirmed its strategic alliance with the U.S.

primacy fades, Canberra could find itself either having to assume a much greater burden on behalf of the alliance or learning to expect much less out of it or, perhaps, both at once.

The visit included stopovers in Canberra and Darwin, the two places most pertinent to a new bilateral defense arrangement, and a speech in which Obama reasserted U.S.
