strategic primacy in Asia.

if not strengthened it.

and survivability by dispersing them on a greater number of smaller, more stealthy platforms.

There are three problems, however.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia's north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

and, in my view, unfortunate organizational preference.

Geography dictates that the U.S.
