strategic primacy in Asia.

There are three problems, however.  
if not strengthened it.

Geography dictates that the U.S.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia's north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

More immediately, as I wrote in *The Diplomat*, the atmosphere of veneration in which Obama and, in my view, unfortunate organizational preference.

So, while it's very important, I'm not holding my breath.
