British nuclear submarine purchases or leases.

worse, and that the costs of Canberra s alliance are going up both in terms

In this sense, Australia can and should take advantage of the opportunity to remain aloof from Asia s power politics to the greatest possible extent.

regional partners now face a quandary: how to navigate between their economic interests, increasingly aligned with Beijing, and their strategic instincts, which pull them towards Washington.

Another option might be to explore a demonstrated off-the-shelf system, offsetting any performance deficiencies with a greater quantity probably 18 to 22 boats instead of 12.
