In buying or leasing British or American SSN s, Australia would find itself almost completely beholden to the goodwill of a foreign power for its basic defense, with potentially deleterious implications for its policy of national self-reliance.

This piece was originally published in The Diplomat Tweet TuesdayNov152011 Interdependence and the Limits of and, in my view, unfortunate organizational preference.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia s north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.
