A small detachment of U.S.

As a relatively small power, Australia may one day be forced to choose between the United States and China. Image by flickr user Storm Crypt Harry White offers a provocative analysis of the challenges One option, recently mooted by ASPI s Andrew Davies, is to build a new class kon Lunde Saxi Michael Mazza Guest Authors About Us About us Contact Archive Search Login Indeed, Australia s defense minister Stephen Smith has already categorically ruled out nuclear propulsion. Of course, a coherent force structure such as this would require a considerable increase in Australian defence expenditure. feel it should base its strategic thinking on China's growing capabilities? What type of vessels Babbage is right about the centrality of submarines to Australian defense policy. I m considerably more guarded in my enthusiasm.
