Harry s solution echoes the strategic agenda advocated by several commentators, myself included: Washington s allies must seek to bind the U.S.

Whether this is possible will obviously depend on specific design parameters of the platforms themselves, and in particular on whether they can operate far enough forward to thwart inter-archipelagic supply lines and fulfil Australia s longstanding strategic objectives in Southeast Asia.

Do you feel this is the right approach? Would a home grown diesel submarine with advanced AIP capabilities work better? With Canberra scheduled to introduce 12 new submarines over the next few decades, Dr.
