and survivability by dispersing them on a greater number of smaller, more stealthy platforms.
strategic primacy in Asia.

There are three problems, however.
if not strengthened it.

Geography dictates that the U.S.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia s north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

More immediately, as I wrote in *The Diplomat*, the atmosphere of veneration in which Obama and, in my view, unfortunate organizational preference.

So, while it s very important, I m not holding my breath.
