British nuclear submarine purchases or leases.

worse, and that the costs of Canberra s alliance are going up both in terms
regional partners now face a quandary: how to navigate between their economic interests, increasingly aligned
with Beijing, and their strategic instincts, which pull them towards Washington.

In this sense, Australia can and should take advantage of the opportunity to remain aloof from Asia s power
politics to the greatest possible extent.

Another option might be to explore a demonstrated off-the-shelf system, offsetting any performance deficiencies
with a greater quantity probably 18 to 22 boats instead of 12.

Deputy Editor of Pnyx.
