and Defense Studies Centre, ANU, an editor at the Lowy Institute for International Policy, and Of course, it would still be an onerous undertaking.

predominance, and the reality of Washington s receding power, Harry contends that Australia and other U.S. and, in my view, unfortunate organizational preference.

In war, by prosecuting sea-denial operations within or beyond the archipelago to Australia s north, they drive up the costs and risks of power projection in areas that could become staging points for an attack on Australia.

Ross Babbage wrote a recent article in The Diplomat advocating for U.S.

It s time to begin planning for alternatives.

if not strengthened it.

strategic primacy in Asia.
