A small detachment of U.S.
feel it should base its strategic thinking on China's growing capabilities? What type of vessels
As a relatively small power, Australia may one day be forced to choose between the United States and China.
Babbage is right about the centrality of submarines to Australian defense policy.
to the region, not as a hegemon, but as a regional power with vested interests in offsetting the excesses of China s
legitimate influence in East Asia.
Indeed, Australia s defense minister Stephen Smith has already categorically ruled out nuclear propulsion.
In this regard, Air Independent Propulsion systems will be a salient consideration.
